Dear Business Owner,

We are excited to announce our BINGO Fundraising Event for the Surge Volleyball Club. The proceeds of the event will be used to help provide support for our club teams to participate in not only local events but also to compete at national events across the county. This year's event will take place on Saturday, January 23rd in the Surge Volleyball Center, 110 W Arch St., Fleetwood, PA 19522.

The mission of Suge Volleyball Club is to provide a competitive club that builds a strong foundation of fundamental skills, techniques and strategies in our athletes while building their love for the game. The Surge Volleyball Club currently welcomes Girls Volleyball and Boys Volleyball athletes ages 10-18. Teams are built based on availability of eligible players and coaching staff. Our goal is to build our program into one of the elite clubs in our area.

Surge Volleyball Club opened its courts for Berks County and surrounding areas in October 2012 for the girls 2013 season. We are a Junior Boys & Girls Volleyball entering its 14th year. . Our success in our first season allowed us to expand our player and coach base by adding several more teams over the past many seasons to include a Junior Boys program with 3 teams and a Women's team. We've grown from 15 players and 2 teams in 2013 to 200+ players and 25+ teams in 2025! Surge supports both the Keystone Regional Volleyball Association (KRVA) and the Amateur Athletic Union (AAU).

To make this a successful fundraiser we are looking for your support. Some of the ways that your business or organization can help is by being an Event Sponsor, donating an item for the silent auction, or a donation that can be used as a door prize. We are also accepting food and drink donations and sponsor benefits include SIGN recognition displayed in the gym year-round.
